BREEDING GROUNDS

DAVID FUTTER TALKS ABOUT CRACKSMAN

"Since joining us from Dalham Hall Stud, Cracksman has settled in very well. He represents an outstanding opportunity for breeders. His oldest progeny are now five years old and include 22 career Stakes performers, nine of which have raced this year. Yearlings from his 2025 crop have sold to discerning judges for up to £150,000, and his latest crop comprises 81 foals. He is a stallion who has already achieved a great deal, yet promises even more."

He has sired a European champion and Ace Impact, the World Champion and Arc de Triomphe winner. Very few stallions accomplish such feats in a lifetime, and his list of winners over jumps continues to grow."

DAVID FUTTER

“I very much view Cracksman as a serious Dual Purpose Stallion and bought 4 cracking yearlings by him this autumn, most notably an exceptional looking filly for €160k at the Goffs Orby Sale to join Joseph O’Brien.”

ANTHONY BROMLEY,
HIGHFLYER BLOODSTOCK

BREEDING GROUNDS

DAVID FUTTER TALKS ABOUT POSTPONED

“Securing Postponed for the British Breeders despite significant opposition, is undoubtedly one of our most shrewd decisions.

Last season he produced the exciting 3YO Amiloc who is unbeaten against his own age group, a Royal Ascot Gr2 Winner and 2nd placed in a classic race.

What Postponed has already achieved with his National Hunt runners, out of flat-bred mares, is truly outstanding and rarely equalled.

From the moment I saw him, I immediately recognised that he possesses the conformation and movement needed to produce natural jumping horses.”

DAVID FUTTER

“Postponed is a huge addition to the Yorton Stallion roster. His National Hunt record speaks for itself, his ability to get black type performers is hugely exciting. I am sure the best is yet to come for him with a lot of his progeny catching the eye at the sales and on farms around the UK.”

DAVID FUTTER TALKS ABOUT GENTLEWAVE

“The veteran of the squad, Gentlewave, is turning 23 this year, but watching him skip down to the covering shed, he certainly defies his age! Although he has never covered large books of mares by today's standards, he boasts an outstanding record of producing horses and winners at the highest level. He is also proving to be an exceptional dam sire, with one stand-out being the multiple Grade 1 winner, Lossiemouth.”

ITO

TYPE: BAY | BORN: 2011 | HEIGHT: 16.2HH / 1.68M

GROUP 1 WINNING SON OF LEADING SIRE ADLERFLUG OUT OF CLASSIC-WINNING MARE IOTA.

BREEDING GROUNDS

DAVID FUTTER TALKS ABOUT ITO

"I've been fortunate enough to purchase and stand many outstanding stallions over the years at Yorton, and I genuinely believe that, in the future, Ito will stand shoulder to shoulder with all of them. Having judged his crop of foals based purely on confirmation and temperament, we are confident that Ito's future looks very bright.

He is being supported by some fantastic mares and will receive excellent care through the Yorton system."

“I have supported Ito from the beginning. He consistently produces foals of good size, quality and confirmation which I value highly and which is clearly reflected in their sale prices, both at home and in the sales ring. We sold one very well for £20,000 in Goffs last year.”
