WELCOME TO OUR LATEST STALLION GUIDE, WHICH WE HOPE WILL GIVE YOU AN UPDATE FOR THE 2023 BREEDING SEASON.

2022 was a very busy year for the Yorton team, with a successful foaling and covering season followed by bustling preparations for our September sale.

We are so pleased with how our younger stallions have been supported and are now repaying those breeders with plenty of winners on the track.

We couldn't be more thrilled with the start Pether's Moon is having. He has already bred twelve individual winners from 40 runners and several individual placed horses in the UK and France. Without the support we have received from British breeders this would not have been possible.

For our 2023 roster we are delighted to welcome Ito to Yorton. He is the only son of the late Champion sire Adlerflug to stand in the UK. A Group 1 winner himself out of a Group 1 winning

mare Iota and full brother to In Swoop, also a Group 1 winner. Ito has an exceptional German pedigree, the first six dams are all black type. Ito offers British breeders a great opportunity to use a new proven National Hunt bloodline.

The addition of Ito is not the only change in Yorton's stallion roster this year. Linda's Lad will join James and Amelia Gray's Hundred Acre Stud in Lincolnshire and Scalo returns to France to stand at Haras de Gelos for the 2023 breeding season.

All the information you need to make a clear decision on your preferred stallion is available in this guide and also on our website. If you require any further help or advice, please do get in touch with our team.

Also, don't forget to visit our website and enter the 2023 FREE prize draw for your chance to win a nomination to a Yorton stallion. Entries close 19th March and the winner will be announced on 26th March. Best of luck!

“He’s a Group One winner out of a mare, Iota, who won the Group One Preis Der Diana [German Oaks] and he’s a full-brother to In Swoop, the German Derby winner and Prix de l’Arc de Triomphe runner-up. Ito is a gorgeous-looking horse, standing 16.2hh and getting very good-looking stock, and his temperament is exactly what we look for in a stallion – to us that is as important as their race record. He won as a three-year-old, excelled at four and held his form at five.”
